

2015 BAT FORUM

Wednesday March 18th, 2015 (9 AM – 1PM)

WHO SHOULD ATTEND?

Backflow Assembly Testers, Cross Connection Specialists, Water Quality Program Administrators and anyone interested in expanding their knowledge of issues pertaining to backflow testing.

THIS YEAR WILL BE AN OPEN FORUM

Join with the Office of Drinking Water Representatives, Washington Certification Services, King County AHJs, Backflow Assembly Testers and Cross Connection Program

Managers for open discussions regarding operational practices, coordination, difficulties and challenges. Bring your questions and your answers!

SPECIAL FEATURES

Many vendors associated with backflow assembly testing and repairs will be present to answer questions, provide informational materials and have products for purchase. Arrive early so you don't miss out on door prizes donated by the vendors.

TIME & LOCATION
