# 2010 Cross Connection Control Annual Seminar

Presented by

**Wednesday**  
**October 20<sup>th</sup>, 2010**

**La Quinta Inn & Suites**  
**1425 E. 27<sup>th</sup> Street**  
**Tacoma, Washington**  
**800-531-5900**  
**www.lq.com**

## WHO SHOULD ATTEND?

Backflow Assembly Testers (BAT), Cross Connection Control Specialists (CCS), Water Quality Program Administrators, personnel who are responsible for cross connection control, and anyone interested in expanding their knowledge of water quality and cross connection control.

## DESCRIPTION

Presentations will be made by professionals from the Department of Health, experts on the Uniform Plumbing Code, administrators of Cross Connection Control Programs, members of Washington Certification Services, individuals from the USC Foundation for Hydraulic Research, and Building Survey officials.

## REGISTRATION

Enrollment is limited to the first 130 paid registrants, so register now! Registration is \$90.00 per person or \$100.00 for walk-ins. Please have registrations postmarked no later than October 1, 2010. Check payment must accompany applications. Purchase orders will not be accepted. One registration form per person is required. Cancellation policy is 100% refund before October 1, 2010.

## CONTINUING EDUCATION UNITS

0.6 Continuing Education Units (CEUs) are pending approval from Washington Certification Services. Certified water operators are required to provide their certification number(s) for proper credit. Attendance for the entire seminar is mandatory to earn CEUs.
